Re: *United States v. Gilbert Armenta, 17 Cr. 556 (ER)*

Dear Judge Ramos:

The Government respectfully submits this letter in response to the Court's order of February 8, 2023, directing the parties to respond to a request to unseal portions of the defendant's sentencing submission. Dkt. 66.

The Government understands that the defendant may docket a version of his sentencing memorandum with fewer redactions. The Government generally does not object to any redactions that are consistent with the Court's individual practices, which allow for redactions in sentencing materials of the five categories of "sensitive information" and the six categories of "information requiring caution."

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
